## | Event organization |

Before starting any planning, we dive deep to understand the objectives and unique vision of each client. Our approach to event planning goes beyond organization; it's a creative journey that transforms ideas into tangible experiences.

### The steps:

- Gathering information / expectations from the Client
- Creation and/or development of the “Idea”
- Developing proposals and quotes
- Discussion of proposals and quotes
- Planning the winning proposal
- Monitoring and execution of the project
- Closing the project

## I Celebrant I

Each couple has a story, and we believe your ceremony should reflect that. As dedicated celebrants, we work closely with you to create a ceremony that is authentic, personal and full of meaning.

With exceptional communication skills, our celebrants ensure that every word is delivered with emotion and eloquence. Your ceremony will be remembered not just for what is said, but for how it is expressed. Let us be the voice that celebrates the beginning of your tale of love. We can't wait to make your ceremony truly unforgettable!
